

## Environmental & Sustainability Policy

### Introduction

Ormeau Community Cinema (OCC) is committed to reducing its environmental impact and promoting sustainability.

### Key Commitments

- Use sustainable and recyclable materials where possible.
- Encourage attendees to reduce waste, e.g., through reusable cups.
- Work with venues that share sustainability values.
- Reduce energy consumption by using energy-efficient equipment.

### Waste & Recycling

- OCC will minimize waste by avoiding single-use plastics.
- Recycling stations will be available at events where possible.

### Travel & Carbon Footprint

- OCC encourages sustainable transport options for volunteers and attendees.
- Where feasible, OCC will offset carbon emissions related to its activities.

### Review

This policy will be reviewed annually.
